

INVITATIONAL GOATS CUP 1V1

Created by: Takker, Naru, Lyrra and Jowi

ID DBD: Takker#580a /// Steam code: 145701231

It is a tournament made up of the 32 best 1v1 players in the world, in which each round will be a direct confrontation in BO3 ladder format.

Rules

- Add Takker (go to the top) to be able to participate in the tournament
- Each match will have a pool of 7 killers, through picks and bans, each player will choose 1 killer and 1 will remain to break the tie if necessary.
- The first player always starts the first killer match and is responsible for creating the lobby, setting up *the corresponding map, and inviting Takker and his opponent.
- The killer can bring 1 perks of the *perks allowed for killer.
- The survivor can bring 2 perks of the *perks allowed for Survivor.
- If a Player starts a chase with a perk or map that is not allowed, that chase will not count and they will suffer a penalty of 15 secs.
- Items and offerings are not allowed.
- If the killer gets lost in the middle of the chase, the survivor has to make noise in less than 10 seconds.
